Our recommendation

SAMPLE MENU

Trio of melon with Doddington sorbet.

Roast rib of Northumbrian beef, vegetable medley, new potatoes, roast potatoes and a rich gravy.

Salted sticky Toffee pudding with Doddington dairy ice cream.

The above menu is our recommendation.

The Melon starter is our most popular choice and is a fresh, light way to start the wedding breakfast.

We only use Rib of Beef for our roasts. We cook the joint for over 5 hours creating a meltingly tender joint.

Our Sticky Toffee Pudding is a highly-praised dessert option and is the perfect way to end the meal.

Please drop us an email or message with your wedding numbers to request a quote for your big day.
